Dear Sir or Madam:

Re: Excide Recycling, 7471 South 5th Street, Frisco, TX 75034 RCRA Closure / Post-Closure Documentation Request

My name is Mitch Cohen and I am an environmental engineer and insurance broker working to place a site pollution policy on behalf of a client. In the past, the client used Excide smelting facilities to recycle used batteries and we would like to get our clients exposure at non owned disposal sites covered for past activities. It is my understanding that Excide is in bankruptcy Chapter 11 and there might be soil contamination at the Frisco, TX location.

Therefore, under the FOIA, I am requesting documentation that supports Closure / Post Closure Bonding, which would have been part of the EPA Region VI / TX CEQ operating RCRA permit for the captioned Excide facility in Frisco, TX.
